Director's Report March 2020

Circulation is still looking really good. We circulated a couple of hundred more items this February than last. Sunflower elibrary is still growing. We had 10 new users in February and checked out 164 items. ILLs are still way up. This could increase our grant funding if it continues since we are loaning so many more items than we were before. It will be interesting to see what happens when the other four libraries join at the end of the month.

Our attendance continues to grow as well. Carrie is going to use Eventbrite for sign-ups for programming from now on.

Carrie is working on our library tour. We will be touring at least 3 libraries on April 18 but possibly four. Valley Center, Park City, Andover and Mulvane are what we are planning. We will meet at the Library by 9:15 and head out. Schedule will be:

10:00-11:00 Valley Center 11:30-12:30 Park City 12:30-1:30 Lunch 2:00-3:00 Andover 3:30-4:30 Mulvane

The Leadership/Management training I am participating in is very good. I am learning a lot and have implemented several of the Transform Management principles. Specifically, a success profile – which are my expectations for a good employee, one2one monthly and constant feedback – which is a work in progress.
